

Display Outer With Tuck Lock Base

A reduced-footprint alternative to corrugate display trays and SRPs, the Display Outer With Tuck Lock Base presents your products for maximum on-shelf impact and ease of access.

Features

- Tray with high sides and raised back panel for additional branding
- High quality, lithographic print, added value embellishment and finishing techniques
- Camera controlled precision flat bed hot foil blocking and die cutting

Options

- Variety of market-tested boards, finishes, formats and sizes
- Plain or printed, varnished, foiled, embossed/debossed
- Choice of back panel shape for added personalisation

Benefits

- Vast branding opportunities on the front, sides and back panel of the tray
- Integrated front wall and side flaps hold products securely in place
- Impactful, premium product display unit

Design for Sustainability

- A reduced-footprint, environmentally friendly alternative to corrugate or plastic display trays
- FSC Certified materials available
- 100% recyclable
- Expert guidance on use of virgin fibres vs recycled content products
- Benefit from our CAD expertise to minimise waste by efficiently value engineering your product
