

# Four Corner Glued Tray

A simple but effective and sustainable packaging option, the four corner glued tray comes ready-erected for ease and speed of packing.

## Features

- Tray with overlapping flaps glued at each corner for structural rigidity
- Camera controlled precision flat bed hot foil blocking and die cutting

## Options

- High quality, lithographic print, added value embellishment and finishing techniques
- Variety of market-tested boards, finishes, formats and sizes
- Plain or printed, varnished, foiled, embossed/debossed

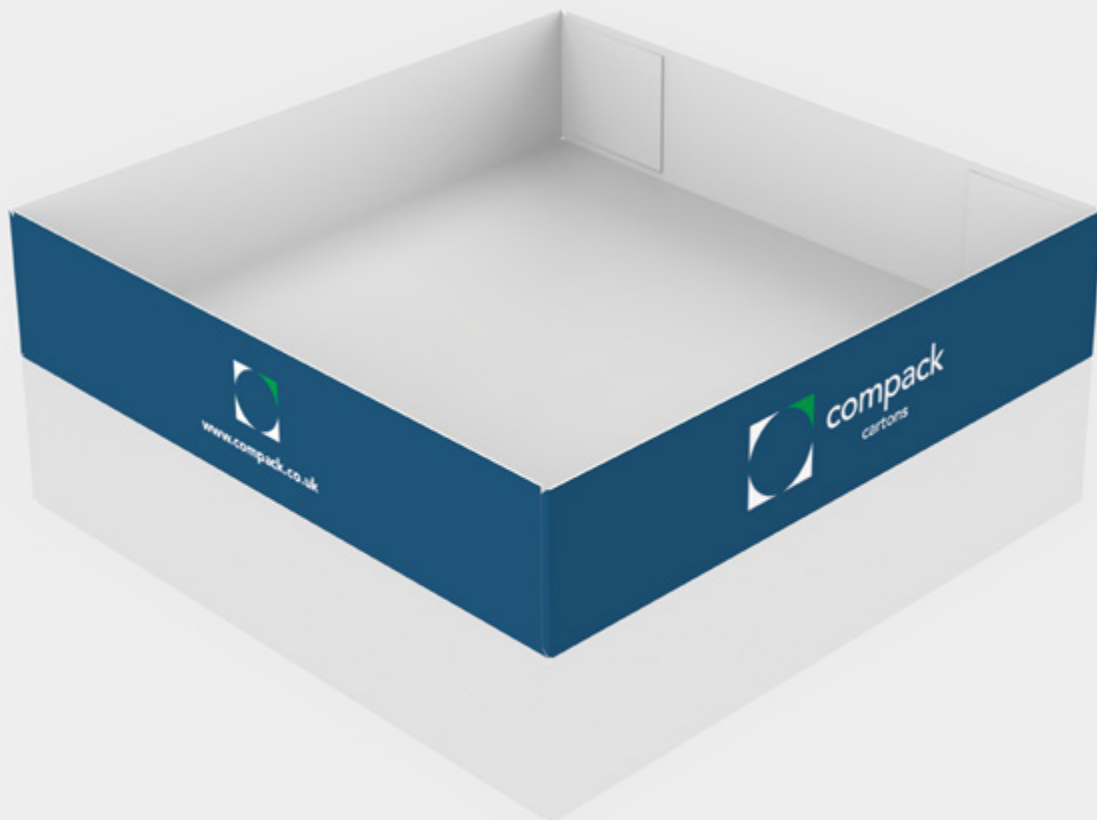

## Benefits

- Subtle branding opportunity on outer walls
- Minimal design allows maximum product display
- Benefit from our CAD layout know-how to find the best format to generate minimum waste

## Design for Sustainability

- Minimal material use while still allowing for product protection and presentation
- FSC Certified materials available
- 100% recyclable
